Dress according to the weather, we are going to be outside all day.

Remember good shoes 😊

After the activities there will be a possibility to change, but stay warm because the party is in a tent – and good shoes still.

## What do I get for kr. 200,-???

**First and foremost you get a night to remember with many of the IFE Halden staff.**

In addition you get 2 meals, and drink vouchers to get you started. 😊

We have an Event company that will take care of the activities, and hired some entertainment for the night that will start after we have eaten a grill buffet.

Drinks can be purchased in the bar all night– no worries. 😊
